

Orchard Hill Buddy Program

This program is designed to provide support to elementary school students who need extra encouragement and a positive role model. St. Mary's students are invited to make a commitment for one semester, in which they will spend part of Tuesday's lunch period at Orchard Hill.

When you arrive at Orchard Hill, you will be assigned to a classroom teacher who will match you with an individual student or a small group. Activities could include the following: reading with a student, helping with writing assignments, conversing with English language learners, and helping with art projects.

If you have questions or concerns, please call or email Carol Adams or Chris Dovci at Orchard Hill, 779-1766. Carol.adams@phoenix.k12.or.us
