

St. Mary's School
1865

Throughout the year, St. Mary's School publishes pictures and accounts of the activities and accomplishments of our students in a variety of ways—through our internal and external publications, our web site, news releases, and, at times, on television. We would like to be able to include your child in our media coverage, but we also want to be sensitive to our students' privacy. Please indicate your preferences below.

1. ST. MARY'S SCHOOL Media Coverage (Check one option):

- Yes**, I give permission to include my child's name and picture in St. Mary's School media.
(Example: *The Messenger*, brochures, parent news and updates, etc.)
- Please do not use my child's name or picture in St. Mary's School publications.

Please be advised that through the course of conducting daily school business your child's name and photo may appear in *internal* publications for distribution only within the school (such as the yearbook or student publications). If your child participates in sports, his or her name and photo will invariably be used in local media coverage over which we have no control. Your child may be pictured in a large group photo, especially as a sports or theatre participant (without his/her name), in any of the above media. Also, please be aware that from time to time, media companies and individuals over whom we have no control take pictures of the school and our students. The school is not liable for the use or misuse of any pictures so taken. If you have questions, please call our Admission Director, Michelle Tresemer, at 541.773.7877 x3108.
